

YOUSSEF ADEL

Aswan, Egypt | 01286585585 | youssefmarkos887@gmail.com
www.linkedin.com/in/youssef-adel-markos/

PROFILE

Aspiring Software developer/tester, competitive problem solver and data analyst with experience in Java, HTML, C++, SQL. Having been a contestant at ICPC I have a proven track record with time limited problem-solving under pressure, and with my experience in GDG's "Build with AI" I learned to integrate AI in my work which gives me a results-driven approach.

EDUCATION

AASTMT | Aswan, Egypt
Computer Science Degree
Grade: 3.73
